Fareham Academy

Unlocking Potential | Creating Opportunity

3rd March 2021

Dear Parent/Carer

I am writing further to my letter dated 26th February 2021 and can now confirm the timetable for the Lateral Flow Device testing for **Year 11** students on Friday 5th March. The students have been allocated 20-minute slots alphabetically based on surname:

Time	Surnames		Time	Surnames
08:00	A		11:20	Q-R
08:20	B		11:40	S
08:40	C		12:00	T
09:00	D		12:20	W-Z
09:20	E-G			
09:40	H-I			
10:00	J-L			
10:20	M-N			
10:40	O-P			

The testing centre is based in the **Dance studio** at the front of the school and entry is via the small gate opposite D Block. Please ensure your child arrives at the allotted time to complete their lateral flow test, only students who we have received a completed consent form can be processed through the testing centre. Students do not need to wear uniform but should wear appropriate clothing as some queuing outside will be necessary. Students will also need to wear a face covering unless they are exempt.

Students should be at the testing centre no longer than 30 minutes and **must** return home immediately once their test is complete. The Academy will receive each student's result within 30 minutes of completion and a senior member staff will contact parent/carers should their child return a positive test. All results with be communicated to the email address and/or mobile number registered on the consent form within an hour of the test centre closing.

Yours faithfully

Mr Prankerd
